<u>GNB Crown Lands Branch</u>: They own the NB Trail, are in charge of gates, maintenance and repairs. Inquiries regarding new trail proposals can be sent to Kerrie.

Kerrie Hallett, Provincial Trails Coordinator Kerrie.Hallett@gnb.ca (506) 453-6025

<u>GNB Off-Road Vehicle Enforcement</u>: It is illegal to operate an ORV under the influence of alcohol and/or drugs. You are also prohibited from driving an ORV if you have had your driving privileges suspended under the motor vehicle act as a result of driving while impaired. All operators under 16 years of age must complete an approved safety training course and be supervised in clear view of someone who is at least 19 years old. OFF Road vehicles must be registered and insured. Also, important to note that it's illegal to operate an OFF Road Vehicle or Motor Vehicle on the Sentier NB Trail that is located in the Town of Florenceville-Bristol.

Serge Dionne <u>offroadvehicle@gnb.ca</u> 1-877-449-2244

<u>GNB Commercial Vehicle Enforcement</u>: Address issues regarding commercial vehicles including jake brake noise and commercial vehicle speeding can be directed to them. Alternatively, if you are familiar with the company whose vehicle is causing grief, sometimes a call to the company will remedy the issue. Most companies want to be good corporate citizens, so this can be a simple way to address a problem.

Sgt. Stephen McIsaac <u>Stephen.McIsaac@gnb.ca</u> 506-471-6701

Any of the above complaints can also be logged with RCMP, as these departments keep separate complaint databases. Important information to provide is day of week, time of day, description of vehicle and driver. If a photo can be safely taken, that can aide enforcement too.

**RCMP Woodstock Detachment** 325-3000

**Remember**: Residents should not be setting traps to stop ATVs from entering their property or the NB Trail system. If there is frustration from residents, they need to report the issue to the RCMP and/or Off-Road Vehicle Enforcement. If residents are setting traps, that behaviour needs to be reported to RCMP to prevent injuries from occurring.

**New Brunswick All Terrain Vehicle Federation**: They have a series of trails throughout the province that ATVs can use. Membership details and trail routes can be found on their website: <a href="www.nbatving.com">www.nbatving.com</a>
Florenceville-Bristol is in Region 7 on their trail map page. <a href="https://nbatving.com/en/cartes.php">https://nbatving.com/en/cartes.php</a>
