

Partners for Climate Protection

Funding? N/A

Date website was updated: 2020

Date retrieved information: March 26 2020

Link: <https://fcm.ca/en/programs/partners-climate-protection>

Target: Corporation

Who would administer the program?

- Town of Florenceville-Bristol

Instructions:

PCP helps communities act on climate change by reducing emissions in their municipality.

Reducing emissions can save money, improve air quality, create jobs, and improve the overall health of residents.

The PCP program guides municipalities through a five-step Milestone Framework to help take action on climate change by reducing emissions in the municipality. From creating an inventory to setting and reaching an emissions reduction target, each step moves the municipality closer to achieving that goal:

1. Milestone 1: Create a Baseline Emissions Inventory and Forecast
2. Milestone 2: Set Emissions Reduction Targets
3. Milestone 3: Develop a Local Action Plan
4. Milestone 4: Implement the Local Action Plan
5. Milestone 5: Monitor Progress and Report Results

Eligibility: Municipalities:

1. Move through the Milestone Framework within 10 years of joining
2. Report on progress at least once every two years, with our support
3. Email us if your contact information changes
4. Actively participate in program activities and share your experience with other network members

How to Apply:

1. Download and print this joining resolution, and have your council adopt and sign it. It clarifies the responsibilities and requirements of membership.
2. Appoint one staff member and one elected official to be your main PCP contacts. Let them know they're responsible for this file.
3. Email (or print and mail) your adopted council resolution, along with the staff member's and elected official's contact information to pcp@fcm.ca.

Longevity:

- PCP membership is free and gives you access to tools, case studies, and other informational resources, as well as support from the PCP Secretariat and our Regional Climate Advisors.
